

CDC FOUNDATION

Helping CDC Do More, Faster

New Health Official Orientation • April 28, 2017

Helping CDC do more, faster

- Launched more than **900 programs** positively impacting millions of lives
- Provided more than **\$662 million** to support CDC's lifesaving work
- **Built a network** of individuals and organizations committed to CDC and public health

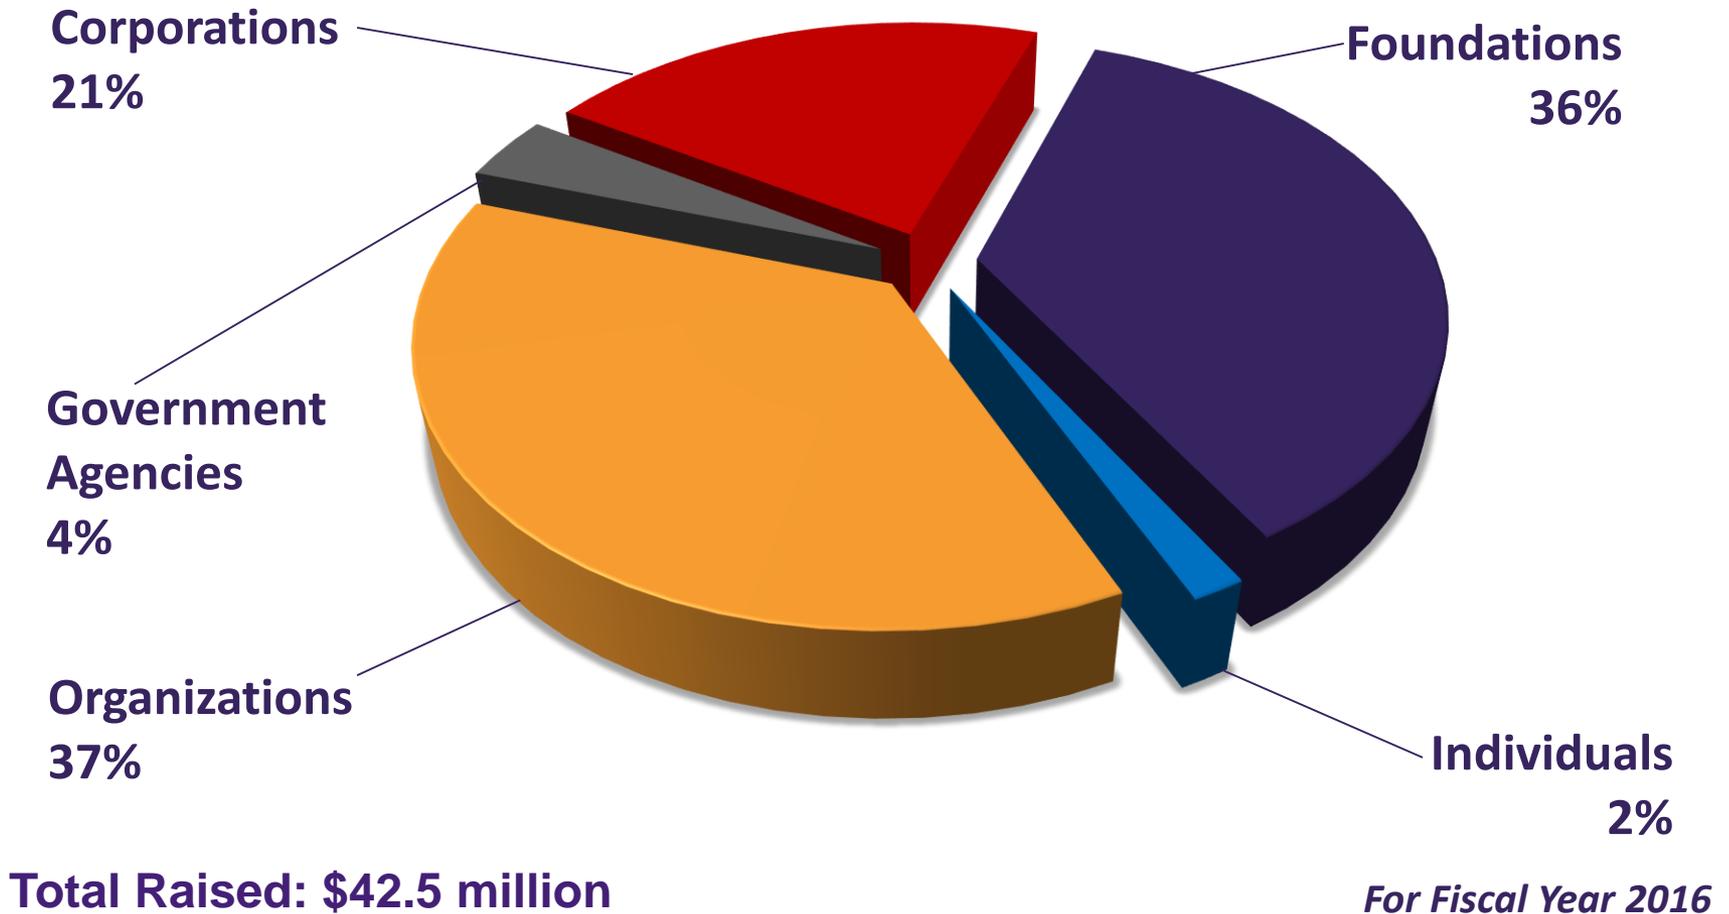

The CDC Foundation manages nearly 300 **CDC-led** programs in the United States and in 85 countries around the world.

Who are our partners?

- Foundations
- Nonprofit organizations
- Corporations and businesses
- Educational institutions
- U.S. or foreign government agencies
- Individuals

Revenue by source

We build innovative partnerships to advance CDC's **24/7 life-saving** work to keep Americans safe and healthy.

Our accountability

- Awarded highest rating, **4-stars**, 10 years in a row
- **Exceeding industry standards** and outperforming our peers
- 1% of charities receive 4-stars for 10 consecutive years

Business Pulse

businesspulse
How CDC protects the health of your business

- Opioid overdose epidemic
- Tobacco use
- Motor vehicle safety at work
- Lowering healthcare costs

- Workplace safety and health
- Healthy workforce
- Heart health
- And much more...

What we've learned

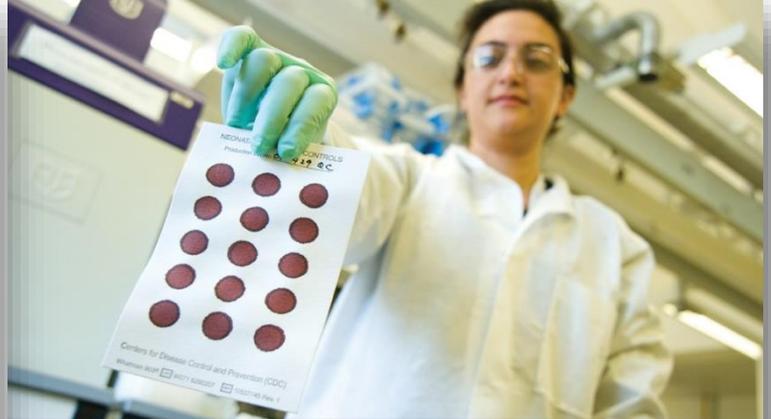

Good partnerships:

- Maximize relevance
- Minimize complications
- Encourage participation
- Provide flexibility
- Emphasize outcomes
- Require communication

Government has unique capacities as well as limitations. The same is true for the private and philanthropic sectors. Working together, we can do so much more than any of us can do alone.
